With your car parked behind you, walk to the bottom of the car park and through the trees, with ChilliBytes on your left. Sense Media are down the path, on the left-hand side.

As you enter Field Place Estate through the electric gates, head down the drive, past the Africa Collection on your left. Keep walking straight, past the large old barn on your left and you'll see a sign for "Sense Media" next to the gate on the black-painted fence directly in front of you. Come in through here and the Sense Media office is located to the left.
